F 600	<p>Continued From page 1</p> <p>This REQUIREMENT is not met as evidenced by:</p> <p>Based on interview and record review, the facility failed to prevent physical and verbal abuse by a staff member for 3 (#'s 1, 2, and 3) of 3 sampled residents. The physical abuse included the resident being hit, and the verbal abuse included name calling and a threat made to the resident. Findings include:</p> <p>During an interview on 01/19/21 at 12:45 p.m., staff member A stated he received a call from staff member B on 12/17/20 at 6:30 p.m. to report an allegation of abuse. Staff member B told staff member A resident #1 reported to staff member C that staff member D had hit her and stated staff member D, "Told me to shut the fuck up, or I'll shut you up." Staff member B stated resident #1 was very anxious when she reported the abuse, but she was very clear, and she repeated the information several times.</p> <p>During an interview on 01/19/21 at 12:58 p.m., staff member A stated he was not in the building when the incident occurred on 12/17/20. However, an investigation began immediately, written statements were gathered from staff members who were on duty, and staff member D was suspended immediately pending an investigation. Staff member A stated staff member B immediately assessed resident #1 for injuries. He stated the facility notified resident #1's physician and family representative of the allegation. Staff member A stated the Billings Police Department was notified of the incident on the morning of 12/18/20, and NF1 arrived at the facility to complete an interview and police report with resident #1. Staff member A stated resident #1 told NF1 that staff member D had pushed and</p>	F 600	Past noncompliance: no plan of correction required.

Staff member A stated the facility expanded its investigation to include interviews with the majority of the other residents who resided at the facility. He stated two other residents, resident #2 and resident #3 stated staff member D was rough with them. Staff member A stated he shared this information with NF1. Staff member A stated the facility received orders from resident #1's physician, per the resident's family representative request, to have resident #1 transferred to St. Vincent's Emergency Room Department for a sexual assault evaluation. Resident #1 was transported, and the facility obtained X-rays of the resident's right humerus, right femur, and right forearm. No injuries were noted, and because resident #1 denied any sexual assault, the ER did not perform a sexual assault evaluation. Staff member A stated resident #1 returned to the facility, was assisted back to her room, and was stable, non-tearful, non-distressed, and appeared to be in a pleasant mood. Staff member A stated although staff member D denied the allegations, the facility believed physical and verbal abuse had occurred, the allegations were substantiated, and staff member D's contract with the facility was terminated.</p> <p>Review of the facility's investigation notes, dated 12/18/20, showed an email sent by staff member A to the facility's staffing agency which read, "I am just writing to inform you all that [facility name] is terminating the CNA contract on [staff member D] effective 12/17/2020 6:30PM. Upon facility investigation regarding a residents allegation of abuse, it was noted that physical and verbal abuse was substantiated. [Staff member D] was immediately suspended on 12/17/2020 at 6:30PM</p>	F 600

F 600	<p>Continued From page 3</p> <p>pending investigation. [Staff member D] will not be returning to the facility and is a non-rehirable contractual employee. Billings Police Department was contacted on 12/18/2020 and a police report was filed. Per Officer, CNA will likely be charged with assault. I recommend that you or your sub-contractual agency report this employee to the CNA Board for abuse as he is not a direct employee of [facility name]."</p> <p>Review of the facility's investigation documents on 01/19/21 showed the facility was pro-active in ensuring that no further abuse was sustained to resident #1 or any other residents who resided in the facility. An investigation was started immediately upon notice of the allegation of abuse, resident #1 was assessed for injuries, notifications were made to the resident physician and family representative, witness statements were completed by all staff on duty, and the accused staff member was put on suspension pending the outcome of the investigation. The facility interviewed the majority of all residents in the facility to determine if any had been subjected to abuse by the accused staff member. Two residents in addition to resident #1 stated staff member D had been rough with them in the past, and these incidents were investigated and reported by the facility. When the allegation of abuse was substantiated by the facility, the facility immediately terminated the employment of staff member D. Ongoing monitoring, QAPI review, and Care plan revisions were completed for all affected residents. Additionally, all staff of the facility recieved documented Abuse and Neglect training following the incident.</p>	F 600
